

(2) A fee imposed pursuant to a financing agreement or covenant entered into prior to August 23, 1994, or

(3) Any other existing fee not in dispute as of August 23, 1994.

(c) Except as modified by this subpart, the provisions of subpart A of this part apply.

§ 302.602 Complaint by a carrier; request for determination by an airport owner or operator.

(a) Any carrier may file a complaint with the Secretary for a determination as to the reasonableness of any fee imposed on the carrier by the owner or operator of an airport. Any airport owner or operator may also request such a determination with respect to a fee it has imposed on one or more carriers. The complaint or request for determination shall conform to the requirements of this subpart and §§ 302.3 and 302.4 concerning the form and filing of documents.

(b) If a carrier has previously filed a complaint with respect to the same airport fee or fees, any complaint by another carrier and any airport request for determination shall be filed no later than seven (7) calendar days following the initial complaint. In addition, all complaints or requests for determination must be filed on or before the sixtieth (60th) day after the carrier receives written notice of the imposition of the new fee or the imposition of the increase in the fee.

(c) To ensure an orderly disposition of the matter, all complaints and any request for determination filed with respect to the same airport fee or fees will be considered in a consolidated proceeding, as provided in § 302.606.

§ 302.603 Contents of complaint or request for determination.

(a) The complaint or request for determination shall set forth the entire grounds for requesting a determination of the reasonableness of the airport fee. The complaint or request shall include a copy of the airport owner or operator's written notice to the carrier of the imposition of the fee, a statement of position with a brief, and all supporting testimony and exhibits on which the filing party intends to rely. In lieu of submitting duplicative exhib-

its or testimony, the filing party may incorporate by reference testimony and exhibits already filed in the same proceeding.

(b) All exhibits and briefs prepared on electronic spreadsheet or word processing programs should be accompanied by standard-format computer diskettes containing those submissions. The disk submission must be in one of the following formats, in the latest two versions, or in such other format as may be specified by notice in the FEDERAL REGISTER: Microsoft Word (or RTF), Word Perfect, Ami Pro, Microsoft Excel, Lotus 123, Quattro Pro, or ASCII tab-delineated files. Parties should submit three copies of each diskette to Department of Transportation Dockets: one copy for the docket, one copy for the Office of Hearings, and one copy for the Office of Aviation Analysis. Filers should ensure that files on the diskettes are unalterably locked.

(c) When a carrier files a complaint, it must also certify:

(1) That it has served on the airport owner or operator and all other carriers serving the airport the complaint, brief, and all supporting testimony and exhibits, and that those parties have received or will receive these documents no later than the date the complaint is filed. Such service shall be by hand, by electronic transmission, or by overnight express delivery. (Unless a carrier has informed the complaining carrier that a different person should be served, service may be made on the person responsible for communicating with the airport on behalf of the carrier about airport fees.);

(2) That the carrier has previously attempted to resolve the dispute directly with the airport owner or operator;

(3) That when there is information on which the carrier intends to rely that is not included with the brief, exhibits, or testimony, the information has been omitted because the airport owner or operator has not made that information available to the carrier. The certification shall specify the date and form of the carrier's request for information from the airport owner or operator; and
